

DEPARTMENT OF PUBLIC UTILITIES

THOMAS M. DOLAN
MAYOR

BYRON JORGENSEN
CHIEF ADMINISTRATIVE OFFICER

SHANE E. PACE
DIRECTOR

The following Utah certified backflow technicians have tested backflow prevention assemblies connected to the Sandy City public drinking water system. This list is not an endorsement by Sandy City as to their qualifications, but is provided for a reference only. Any Grade 2 or Grade 3 backflow technicians certified by the Utah Division of Drinking Water may provide service for the required testing of backflow prevention assemblies. A complete listing of certified backflow technicians may be obtained by calling the Utah Division of Drinking Water at 536-4200.
